“All staff worked so hard to make our day the best - nothing was too much trouble, we had an amazing day and can't thank them enough. Beautiful scenery with the lake in the background of our pictures - it's a perfect place for a wedding. Would highly recommend.”

“We cannot fault Woodbury or its staff at all. Throughout the day and for weeks after we were getting compliment after compliment about our special day. We would get married there again in a heartbeat!”

“We couldn't recommend Woodbury enough. From start to finish they were professional, approachable, friendly and accommodating. They were always on hand to answer any queries and they took all the stress away from us as a couple. With so much to organise it helped immensely knowing that the main part of our day was in such safe hands.”
